Project Overview

Project area
48.674 M²

The new Basaksehir project combines the peaceful tranquility of the Anatolian side and the endless energy of the European side of Istanbul.

A new life where you will live to the fullest with all the privileges of Basaksehir district, the new center of Istanbul, along with the neighborhood culture you yearn for, is now very close to you in this project.

Project

Overview

The project, with its horizontal architectural concept, offers you the opportunity to look at the stars and enjoy the sky with your loved ones as much as you want.

You will always be very close to green areas, that 80% of the landscape and 4-8-10 storey buildings you prefer within the project.

The project provides you with a safe life by protecting you and your loved ones with its horizontal architectural concept and its highly secure indoor and outdoor areas against earthquakes in Basaksehir, which is one of the most solid areas in Istanbul.

Thanks to its privileged location, the project gives you and your loved ones the opportunity to do what you want, wherever you want, in the most comfortable way.

Project

Overview

It is a residential and investment project that will be built on a land area of 48.674 square meters.

The project contains 453 houses, with different types of 1+1, 2+1, 3+1 and 4+1 apartments.

The apartments' spaces range between 58 and 208 square meters.

Basaksehir Eurasia Residences are suitable for all lifestyles.

If you live alone or if you are just two people, you can find the right home in our residential complexes with 1+1 or 2+1 options, and you can take advantage of the living spaces we offer to you as you wish.

If you are looking for a comfortable home to live in with your family, you can spend quiet and enjoyable days in our family complexes of 2+1, 3+1 or 4+1 apartments. You can live a happy life in the new Basaksehir project.

Project

Overview

If you live in Basaksehir, you do not need to worry about the future of your children, due to its proximity to kindergartens, primary and secondary schools, Basaksehir stands out as the most suitable place for your children to receive a quality education.

The project provides an advantage for investors to easily rent their apartments to university students, due to its proximity to universities and easy transportation opportunities with alternatives to all parts of the city.

Project

Overview

For example, if you have to go to the hospital, the largest hospital in Europe is right in front of your house, if you are looking for green spaces to spend quality time with your family or loved ones, the largest botanical garden in Europe, Basaksehir is just a short walking distance from the project.

In Basaksehir Botanical Garden, you can exercise with peace of mind and fill your lungs with fresh air. In addition, if you want to enjoy nature to the fullest, you can also enjoy a picnic with your loved ones.

Project site

The project is located on the European side of Istanbul in Basaksehir area.

Basaksehir Eurasia Residences where Canal Istanbul will be very close to you, in addition to the connections of the North Marmara Highway and Istanbul Airport. If you want to get around easily without a car, this project is within walking distance from the metro station.

The project will add great value to your daily life and investment through its unique location and the wide transportation options available in the area.

Life in Basaksehir means a life in contact with nature. The solar valley of Basaksehir, the pleasant region of Istanbul, is only a few minutes away from the project.

The largest health complex in Europe "Basaksehir Medical City" is located on the opposite side of the project.
