Project Overview

Project area
6.279 M²

It is a housing and investment project built on the Kadikoy area on the Asian side of Istanbul.

The project provides homes and home office concept.

The project built on a land area of 6276 square meters.

The project consists of 2 blocks and 86 apartments.

The apartment sizes and patterns range from 1+1 to 4.5+1, include the duplex option with garden and terrace.

The project is ready to move and the title deed is ready for Turkish citizenship.

Project Site

The project is located in Kadikoy district on the Asian side of Istanbul. The project provides great convenience to residents and employees as the main road and highways are right in front of them.

For those who want to go to the European side of Istanbul, the project is located near both Fatih Sultan Mehmet Bridge and the 15th of July Martyrs Bridge.

The project is characterized by its proximity to shopping centers, universities, and public transportation.
