Project

Overview

Project area
39.695 M²

Welcome to our project where we know what home means to you. Home is a place where you feel comfortable and safe. A place where you leave all your worries and live stress-free life.

In this project everything is considered for your comfort for all seasons long. The project built on an area of 39.695 sqm.

Project

Overview

Our well-equipped gym will be in your service to stay in shape!

Our indoor swimming pool, sauna, and steam bath where you can enjoy time with loved ones after a day of intense work rhythm and stress, will be available anytime you want.

In addition to this rich amenity options, you may complete your day with a traditional Turkish bath, in which you can test and sooth the day's weariness.

Playgrounds that have been thoughtfully designed so that your children can confidently and joyfully engage in games at all times of the year.

Our green spaces are developed with natural and cultural values in mind, allowing you to take a peaceful outdoor walk.

Project

Overview

The project, which includes a 157-car indoor parking lot, provides an experience beyond your highest expectations.

Now the project is in the construction stage, and the delivery date will be in 10/2023.

Title deed is ready and the project is suitable for Turkish citizenship.

This new-rising project is notable for its functionality and structure.

The modern units have everything to meet your needs in a home.

The unit's excellent features will provide you efficiency in every part of your home.

In addition, you will easily establish a warm and cozy atmosphere for you and your family.
