Project

Overview

It is a residential project with a total area of 30.000 sqm, 18.000 sqm of the project has been designed as green spaces. When you look from the window, there is a view of the sea and the lake.

Project

Overview

It is no longer a dream to live a peaceful family life in a central location where the three blues, the sea, the lake and the sky are integrated.

This special project offers different views of Buyukcekmece Lake, Marmara Sea, city view, and unique landscape view.

The project consists of a total of 495 residences with 2+1, 3+1, and 4+1 options. It also consists of 14 different blocks of 4 types.

Project Site

The project located in Buyukcekmece area, on the European side of Istanbul. Buyukcekmece is characterized by its proximity to the important areas of Istanbul, such as Beylikduzu and Bahcesehir, in addition to its proximity to the main roads in the city. Buyukcekmece is a lively, fully serviced residential area with public transportation.

Project Site

More than 200 shops located around the project, shopping centers, hospitals, dentists, pharmacies and all the services that will meet your needs.

You will be in a location where you can walk comfortably on the streets with your family no matter what time it is at night
