An architectural rendering of a modern residential complex. The main building is a tall, multi-story structure with a facade of brown and white panels and blue-tinted balconies. At the base of the building, there is a ground-floor commercial area with large glass windows and a covered walkway. In the foreground, there is a paved area with several cars parked and a few people walking. The background shows a clear blue sky with some clouds and a green landscape with trees.

A residential and investment project developed by a well-known construction company in Turkey. The project consists of two 14-floors residential buildings with 157 apartments and 18 commercial units.

The project has social facilities that offer you the comfort and luxury life you have always dreamed of, such as a basketball court, a football court, a fully equipped gym, outdoor swimming pool, children's swimming pool, gardens and shops.

The strategic location of the project on the European side of Istanbul in Esenyurt district, near to the highways and the main roads.

Esenyurt, which is the fastest developing district of Istanbul with a population close to one million, has been the focus of attention of foreign investors in recent years.

The project is just 10-15 Minutes away from hospitals, schools, universities and shopping malls.

In this project you can get away from the noise of the city to the green parks with private cafes, hiking, cycling and family picnic areas.

The location of the project where it is only 5 minutes to Marmara Park Mall, one of Istanbul's largest malls.
