Project Overview

Project area
45.000 M²

An investment and commercial project located in the city center of Istanbul in the Kagithane area.

The project is built on a land area of 45.000 square meters.

The project consists of 6 blocks of 4-9 floors.

The project contains 960 offices, 58 offices left, and 120 commercial stores, of which 16 left.

Units areas within the project range from 60- 130 square meters.

The most important feature of the project is that it is just 150 meters from the Kagithane subway station, which connects Istanbul's commercial center with the new airport, and the station will be opened in 10/2020.

Project Site

The project is located on the European side of Istanbul in Kagithane, one of the fastest-growing areas in the city. Kagithane is one of the most important areas that attract real estate investors due to its central location in the heart of Istanbul. Kagithane is located near Taksim Square and Levent and it is also close to shopping centers, the highways, and Istanbul's third airport. Kagithane is characterized by the availability of main services and the availability of public transportation.
