Project Overview

Project area
48157 M²

The project was developed by one of the best real estate construction companies in Turkey. It was built on a land area of 48.157 square meters. It consists of 6 buildings of 30 floors and 531 apartments. The project was built on a high hill in Kartal district with a direct view of forests and evergreen trees on one side, and on the other side it is overlooking the Sea of Marmara and the Princess Islands even from the lower floors. The project is a viable investment option due to the rapid growth of this area, it is also suitable for housing because of the availability of the main services that meet your needs. The project is ready with a guarantee of Turkish government.

Project Site

The project located on the Asian side of Istanbul in Kartal district, one of the fastest growing areas in Istanbul. The project is close to the public transportation, where access to any place in Istanbul is easy and effortless, Also, it is close to educational and entertainment institutions and shopping centers.
