Project

## Overview

17.000 <sup>M<sup>2</sup></sup> Project area

Total construction area of the project is 17.000 sqm on 2.500 sqm area.

Total apartments in the project is 120 apartments, 42 of the type 2+1 and 78 of the type 3+1, in addition to 26 shops.

Our project with a parking lot and social area for each flat has a very central location.

## Project

# Overview

This project is the choice of those who love to live in nature.

The project contains 2-storey car park for approximately 280 vehicles.

It also has an indoor and outdoor swimming pool, walking tracks, motorcycle and bicycle parks, game and hobby rooms for children and adults, mini cinema and digital music room, multi-purpose rooms.

There are social facilities such as gyms, spa, Turkish bath, sauna, etc. for you, dear residents of the site.

With its green area of 6.500 sqm, the project is waiting for you to live in nature in the very center of the city.

## Project Site

The project located on the European side of Istanbul, in Bahcelievler district, one of the fastest growing areas in Istanbul.

The project located at an important location in Istanbul where the flow of business meets the flow of life.

The project located near to many health and educational institutions and shopping centers that can meet all your needs.

The distinctive location of the project next to Ataturk Airport, E5 Highway, and it is easy accessible by metro and metrobus.
