Project

Overview

This project is a place where like minded people and professionals, all living together and privately in 128 modern and fully furnished studio apartments.

Project

Overview

With a resort like amenities, a restaurant and a bar located right in the building. The project represents a new realty system that makes Luxury accessible to tenants without the obligation of bills or utility charges. Rental revenues are gathered in a pool and shared according to the holdings of the property owner.

Project

Site

The project located right in the heart of the newly developed and gentrified downtown of Kagithane, on the European side of **Istanbul**. **Kagithane** is one of the most important areas that attract real estate investors due to its central location in the heart of **Istanbul**.

Project

Site

Kagithane is characterized by the availability of main services and the availability of public transportation. It is located right next to Vadi Istanbul and Axis Malls.
