Project Overview

Project area
15.000 M²

The construction company bringing an average of 42 percent premium to its investors with the projects it has implemented, it added a new one to the projects that has been built in Kagithane.

Another brand-new project is coming to life, for those who want to live in the center of the city in Kagithane, the fastest developing district of Istanbul.

Project

Overview

The project is designed to meet all the expectations and demands of those who want to live or work in the center of the city, is preparing to bring a brand-new breath to the region with its unique architecture.

The total project area is 15.000 sqm, and 520 sqm of the project for green area.

There are 154 flats in the project, which consists of four blocks. The apartments in the project are planned as 48 square meters, 1 room and 1 living room and 75 square meters, 2 rooms and 1 living room duplex.

Project Site

The project located in Cendere Mahallesi, in Kagithane area, on the European side of Istanbul.

The project is located behind Hasbahce Park.

The project is only 600 meters from Kagithane stop of the Kabatas-Mahmutbey Metro Line, which is under construction.

The project is close to office plazas and shopping centers such as Kanyon, Zorlu, Metrocity, Ozdilek, Cevahir, and Trump Tower.
