

RIGHT HOME 14

righthome
real estate consultancy

It is a housing project that built by a well-known construction company with more than 30 years' experience.

The project built on a land area of 67.000 square meters.

It consists of 27 blocks of 7 floors that contains 1680 apartments with different styles, ranging from 0+1 to 5+1.

The project contains 125 shops to meet all your daily needs.

Istanbul New Airport | 40 Minutes

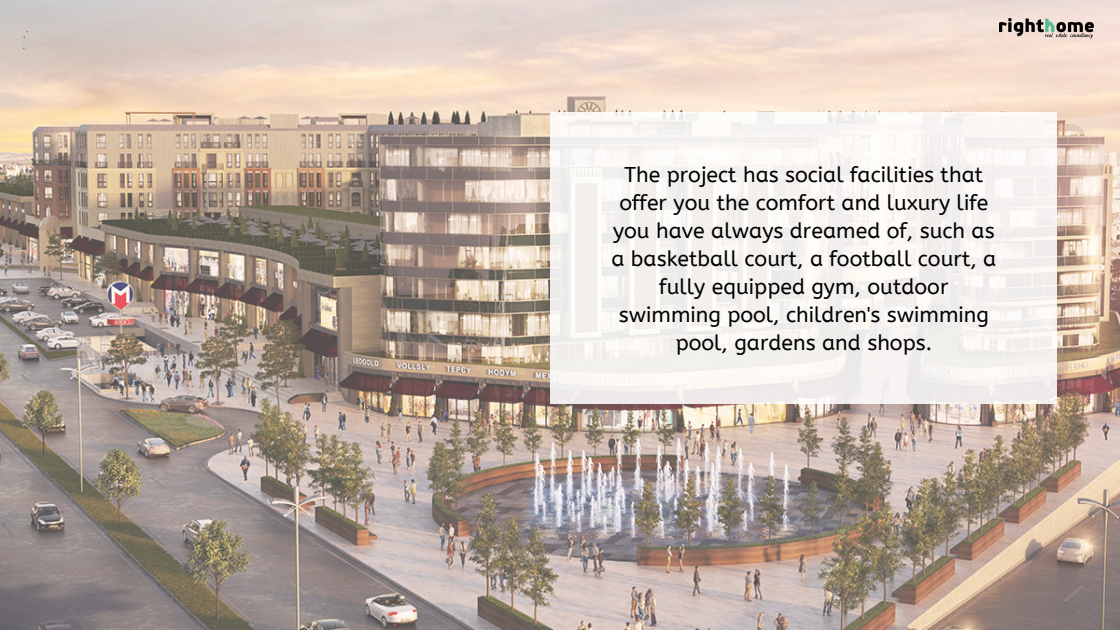

Marmara Park Mall | 15 Minutes

Metrobus | 10 Minutes

The project located in Esenyurt district on the European side of Istanbul, a vibrant area with a high return on investment, which contains towers and many residential complexes. The project characterized by the availability of services such as transportation, universities, schools, hospitals and shopping malls.

An architectural rendering of a modern urban development. The scene features a large, multi-story building with a curved facade and a glass-walled upper section. The ground floor is lined with shops, including 'LEGGOLD', 'VOLLSLY', 'TEPCY', 'HODYM', and 'MEX'. A prominent fountain with multiple water jets is the centerpiece of a paved plaza. People are shown walking and socializing in the plaza. To the left, a parking lot is filled with cars, and a road with more vehicles is visible. The sky is a soft, hazy blue, suggesting a late afternoon or early morning setting. A semi-transparent white box with text is overlaid on the right side of the image.

The project has social facilities that offer you the comfort and luxury life you have always dreamed of, such as a basketball court, a football court, a fully equipped gym, outdoor swimming pool, children's swimming pool, gardens and shops.
