Project

## Overview

The project was recognized with awards and is an excellent example of the changing and modernizing panorama of Sisli-Bomonti which is one of the most established districts in Istanbul. It is one of the most beautiful examples of contemporary architecture with its 210 meters high twin towers and 804 residence apartments.

Project

## Overview

In addition to its standard layouts consisting of 1 and 2 bedroomed apartments, it is possible to create different apartment formations up to 5 bedrooms with its exible and modular planning principal.

## Project

# Site

The project located in Sisli area, specifically in the fast-growing Bomonti district. The project located in one of the most popular districts on the European side of Istanbul, Bomonti, the growing area that attracts investors' attention currently, and recognized by easy access to most of the vital places in the city, and its proximity to the shopping centers, airports, hospitals, universities, and schools.

Project

## Site

It is close to Beyoglu,  
Besiktas and Maslak.

Now you can add to this  
dream the comfort of being  
located at the intersection of  
important transportation routes.
