Project Overview

Project area
3.000 M²

It is a residential project built on a land area of 3.000 square meters.

The project consists of a single building includes 93 residential units ranging from 1+1 to 2+1, with areas ranging from 75 square meters to 115 square meters, in addition to 11 commercial units.

Project Site

The project located on the European side of Istanbul, in Kucukcekmece district, on the European shore of the sea of Marmara. The project located on the prestigious and well-known Halkali Avenue surrounded by transportation networks. It is located in the center of attraction of Istanbul, which is very close to E5 and TEM Highways, Istanbul Airport, hospitals, shopping centers, universities and five stars hotels.
