Project

## Overview

Project area

1.600<sup>M<sup>2</sup></sup>

The project is located Çeliktepe area on Guzeldere Street, next to the famous Sapphire Mall, which is 1.200 meters away from the project.

All the main offices of major companies are located in Buyukdere Street, which is a 5-minute walk from the project.

## Project

# Overview

The project consists of one building with 15 floors and 195 apartments divided between one room and two rooms.

On each floor there are 13 apartments, 4 of which are one room and 9 apartments of two rooms.

The project area is 1.600 square meters, and it contains 970 square meters of green areas.

In the project, there are 4 underground floors dedicated to parking, for each apartment there is a private parking.

The project has 24-hour security, in addition to children's playgrounds and cafe with a gym and a sauna on the terrace of the project.

The project delivery date is December 2022.

## Project site

The project is located in Levent district on the European side of Istanbul, which is considered the center of business and trade, as it is the headquarters of the largest international companies, shopping centers and office towers.

The project is located in an area of increasing value where all transportation means are available, and it is close to the city center.

In the hearth of the financial world, 4 Levent stands out as one of most valuable locations in Istanbul thanks in part to its proximity to colorful life, which makes Bosphorus and Istanbul attractive in the eyes of the world.

## Project site

One of the most rapidly-changing districts in Istanbul, 4 Levent is truly an attraction center with its unique location, modern architecture, landscape of city and country, proximity to Buyukdere Street, bridge-connection roads, shopping malls, education institutions and hospitals.

In addition to allowing you to stay at the hearth of Istanbul, this project will introduce you to the privileged life that Istanbul offers, along with the advantages of being close to the shopping malls, schools, hospitals, business districts and the Bosphorus.
