Project

## Overview

**23.338 m<sup>2</sup>**

It is a housing and commercial project with a land area of 23.338 sqm. The total construction area of the project is 69.737 sqm, and the primary area is 31.486 sqm.

## Project Overview

The project consists of 2 blocks, that contain 692 apartments of the types 1+0, 1+1, and 2+1, in addition to 3 shops. The project offers a magnificent view of Istanbul, where you can open your window to the peaceful green areas on the Maltepe coast.

## Project Overview

It is a special project which everyone from every age enjoys their lives and has peaceful and enjoyable time thanks to its indoor and outdoor social facilities that improves the quality of life and takes the stress of metropolis away.

## Project Site

The project located in Maltepe area, in Dragos district, the new center of attraction on the Asian side is becoming the new star of investment with its center allocation.

## Project Site

The central location of the project provides you easy access to many transportations stops as the ferry and sea-bus piers located on the coastal road; the metro and high-speed train network located on the E5, and Sabiha Gokcen airport which hosts national and international flights. Also, Bagdat Street is only one step away from you with its high upscale shopping malls, luxury restaurants and cafes, and Caddebostan Coast as well.
