Flats in  
the project

It is a housing and investment project that will change your point of view for your life, home, investments, and even nature. The project consists of 2 blocks that contain 132 flats of different types of 1+1, 2+1, and 3+1. The project offers you unique and privileged living spaces for a happy life in your dream home with different floor plans. The flats, which are processed individually with the leading brands of modern architecture and decoration, are waiting for you to choose the one for you and your family.

## Project Site

The project is located on the European side of Istanbul in Kagithane area, one of the fastest-growing areas in the city. Kagithane area is considered as one of the most important areas that attract real estate investors due to its central location in the heart of Istanbul. Kagithane area is located near Taksim Square and Levent, and it is close to shopping malls, the fast side, and Istanbul's third airport. Kagithane area is characterized by the availability of major services and the availability of public transportation. There are two metro lines that lead to the Kagithane area.
