Project Overview

Project area
12.000 M²

It is a project located on Basin Express road with a unique view, high quality and luxurious loft concept.

The project has two phases each consist of 12.000 sqm area.

Phase 1 consists of 11 floors and 407 units in total, each floor has 37 units, and the ground floor is dedicated for commercial with 8 units.

Project Overview

We have 1+1 ,2+1 loft concepts home offices in the project.

The project promises for high return on investment and it is suitable for citizenship.

The project is suitable for investment and living.

Project delivery date is december 2023.

Project Site

The project located on basin express road, close to the city center.

The location of the project in Basin Express indicates that it is within the area of the gathering of hotels, large companies, shopping centers, commercial and educational centers as well as hospitals and universities.

The most prominent feature of this project is its location near the main roads in Istanbul, E5 and TEM Highways which provides easy access to Istanbul International Airport.

The project is located in an area surrounded by the most important real estate investments and high-end facilities, which is an area close to the new Istanbul Airport, so this project guarantees profits.

Project Site

6 universities are close to the project area,
and 5 star hotels in 1 km close approxmity.

Shopping malls, furniture markets and
wholesale markets are near the project.

Government and private hospitals will be at a
close distance to your home.
