real estate consultancy

Project Overview

Full service project in terms of transportation, commercial, educational and medical centers

Great attention has been paid to green spaces in all corners of the project
to give you a new style of healthy living

The project is ready for housing at prices starting from \$72,000

Project Overview

In Istanbul, the European sector, and specifically, in the modern Esenyurt part, this project is being constructed.

This area of Esenyurt, which includes extensive roads and luxury projects away from densely populated neighborhoods and is therefore a very promising area of real estate investment

This region derives its value through the increase of service centers, the continuous expansion of metro lines and transportation, as well as all public Services and State Services near by you. In addition, its location is relatively close to Istanbul's third largest airport,

Attention to green spaces and gardens is the basic concept of this project, so in addition to the gardens surrounding the building there are many green angles within each corner of the building itself to ensure the highest standards of living

Project Overview

Shops, restaurants, cafes, beauty centers and services are all nearby you in this project, because we realize that your precious time and give you the opportunity to spend the most beautiful time with your family rather than the loss of mobility and secure your needs

Use the elevator just close from the door steps of your home to find yourself in front of the gyms, swimming pools and recreational activities in full and so you can rest assured your children that they spend entertaining times in a safe place

Project Site

The distances separating the project from all of the following are as follows:

Only 600 meters away from the nearest metro station, the most important means of transportation in Istanbul

Less than 500 meters from the Esenyurt-Mecidiyekoy Metro Station which will be processed in 2019

14 km from Ataturk International Airport

15 km from the new Istanbul Canal

22 km from Istanbul's third largest airport in the world

5 minutes from the E5 motorway which makes it easy to reach anywhere in Istanbul

Close to the famous Marmara Park Mall

Close to schools and hospitals
