Project Overview

Project area
1.000 M²

The project built on a land area of 1000 Sqm, and it consists of one block, with 14 floors.

The project contains 120 housing units with different options of 1+1, 2+1 and 3+1.

If you pursue greatness, your vision must aim "the heart!" The privilege of living the peace in the center of life. The project is located in the hearth of Istanbul, in 4 Levent area.

Project

Overview

The comfort that comes with being able to access anywhere is priceless!

This is a sought-after project for those who can recognize tomorrow's opportunities from today.

If you make a list of the most precious things in your life, we are sure that your family will be ranked at the top. So, we have designed a secure, peaceful and comfortable living environment to protect your precious ones.

Enjoyment in this project is a magical period that lasts over long stretches of time for you to spend with your family.

Attention to detail and elegance in every single corner in this project.

Spending time in your new home will be very pleasing.

A perfect ambience that makes you feel the comfort, coziness and contentment of life.

Project Overview

Life will become even more enjoyable in the living room of your house.

If you work from your home, you will gradually witness how much the working space influences your professional performance.

Cheerfully spending your time in a spacious and practical room and the success that comes after.

We wish you good fortune on your business in your room in this project.

Leave behind the stress of daily life, relax at the sports facilities!

By becoming a regular at the gym you'll not only finally get that fit body, but also take a step towards more energetic, balanced and positive life.

Project

Overview

A brand-new world with broad social opportunities, a world that offers comfort, aesthetics and ergonomics all at once.

Moreover, this special world is located at the most rapidly developing, growing region of İstanbul.

When laying foundation for your new, multi-functional life you will have made a prosperous investment as well.

Why this

project ?

It is located at the very heart of universities and shopping malls.

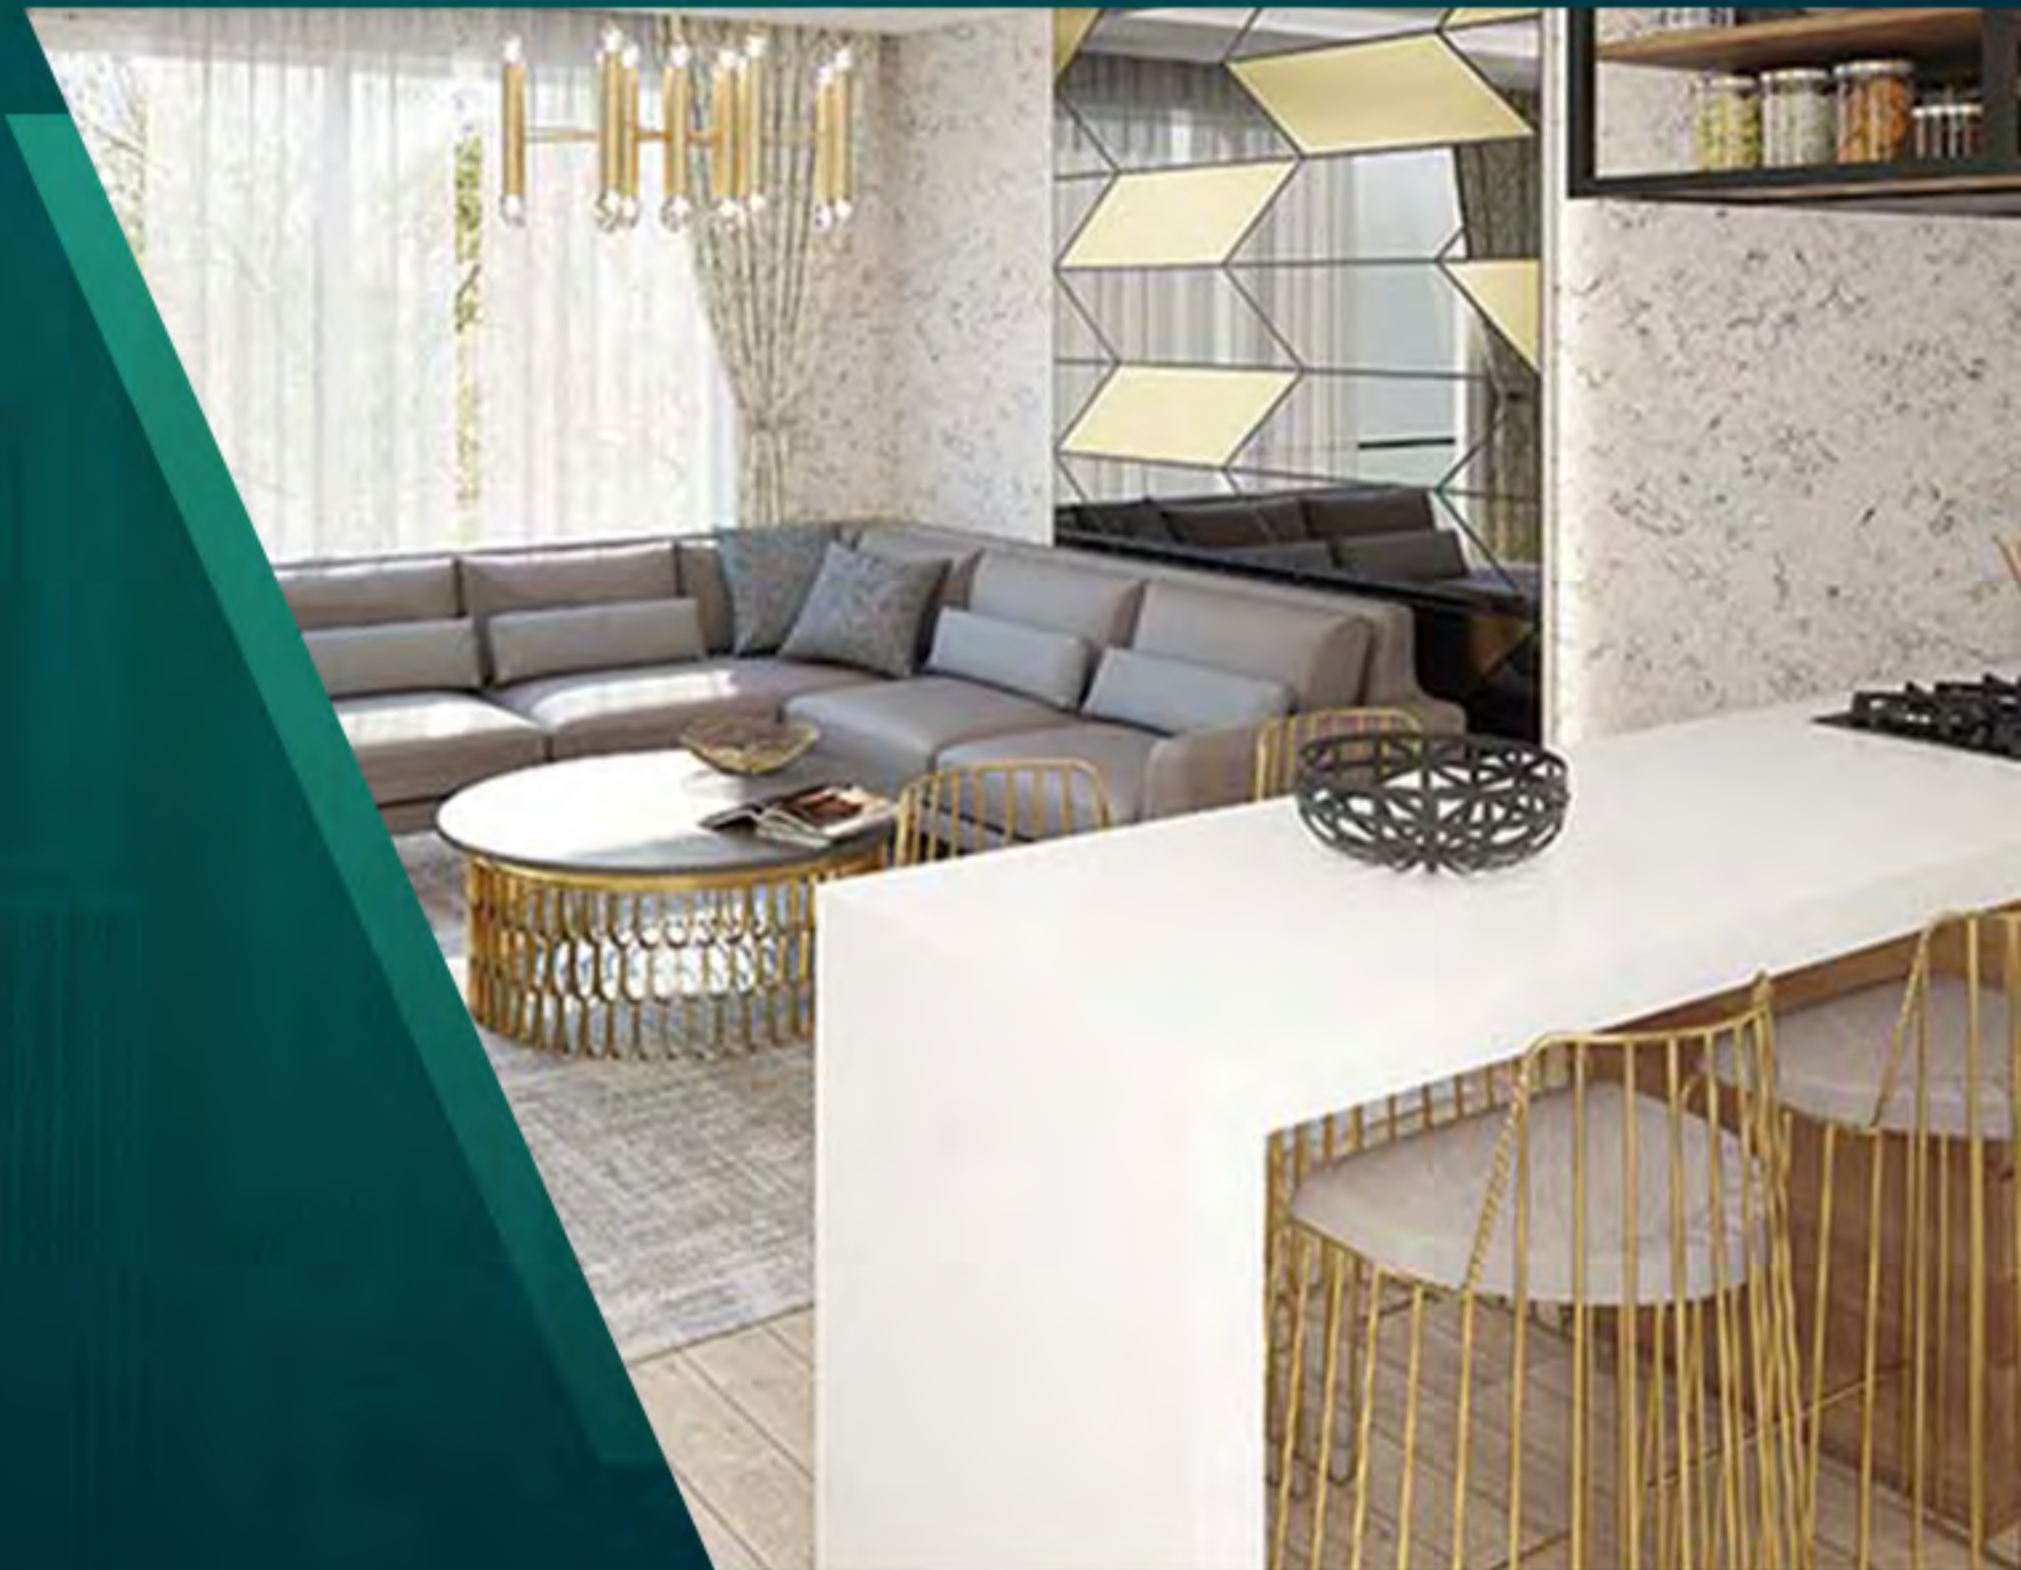

It is 5 minutes away from Kagithane, 10 minutes away from Caglayan Courthouse.

With closeness to subway and other means of mass travel, it provides an easy access to anywhere in the city.

It is located at the center of TEM and E5 Highways.

It is situated on a near spot to Great Istanbul Tunnel.

It is also one of the most fast-growing investment opportunities in the European side.

Why this

project ?

It is 10 minutes away from Dolmabahce Tunnel, and 15 minutes away from Taksim.

It is situated at a walking distance to the most significant business districts in İstanbul.

It is 8 minutes away from FSM Bridge.

It provides a direct access to the 3rd Airport in Istanbul.

It is close to Belgrade Forests.

It is 20 minutes away from Ataturk Airport.

It is 5 minutes away from Capa Hospital, which will soon be relocated to the district.

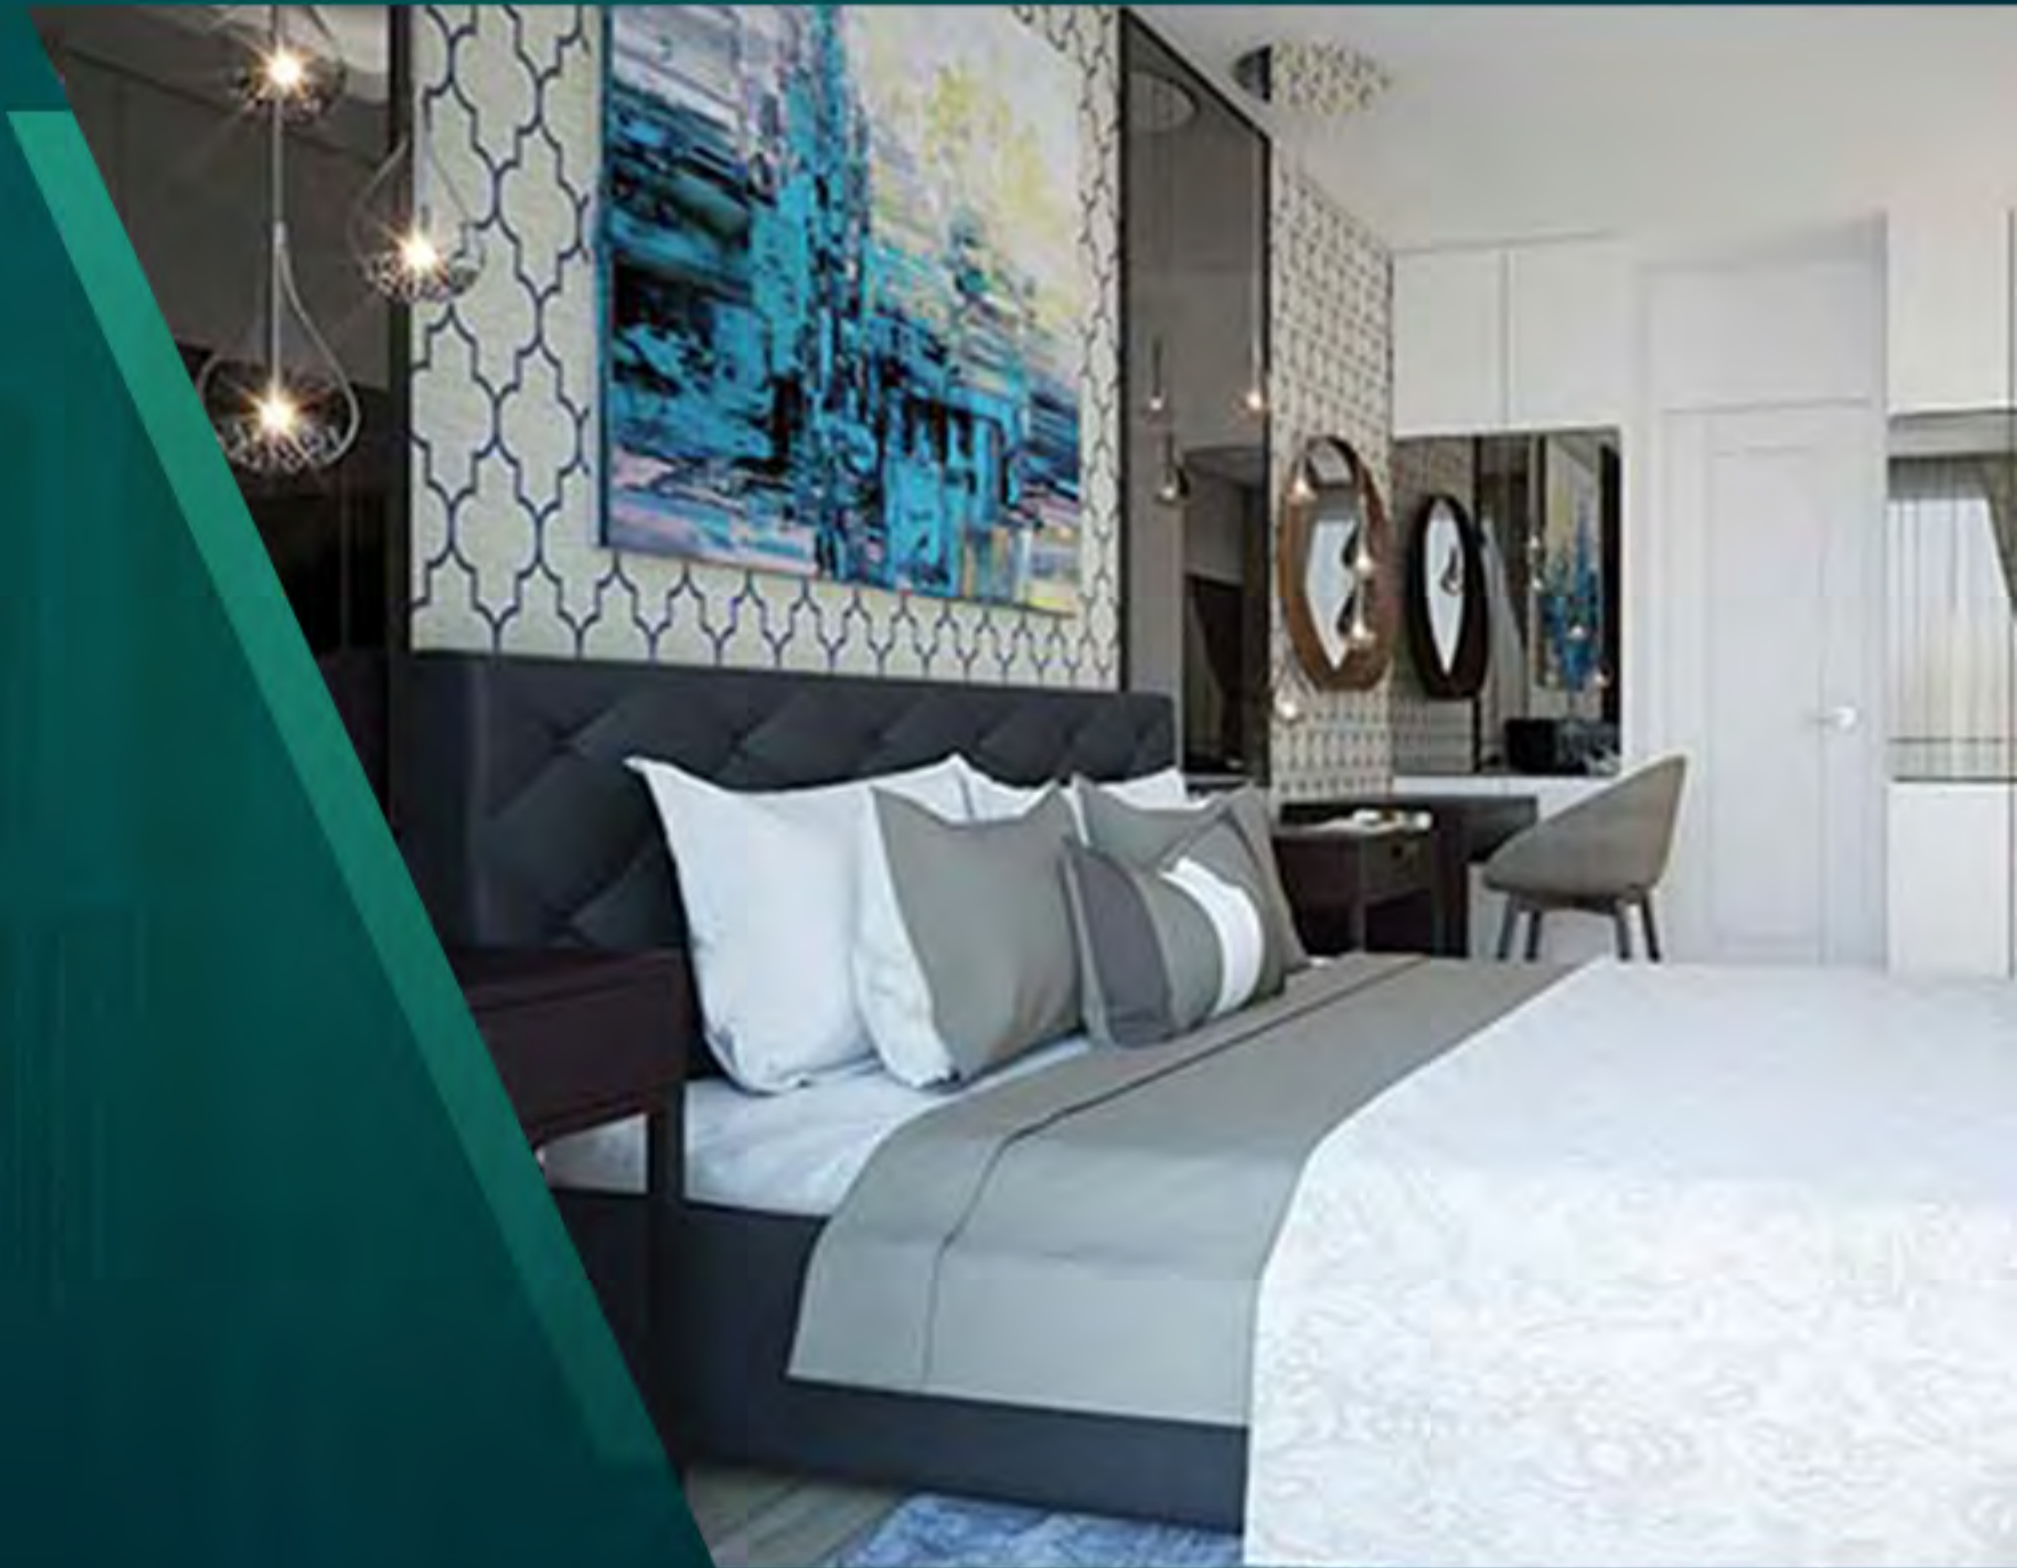

Project site

In the hearth of the financial world, 4 Levent stands out as one of most valuable locations in Istanbul thanks in part to its proximity to colorful life, which makes Bosphorus and Istanbul attractive in the eyes of the world.

One of the most rapidly-changing districts in Istanbul, 4 Levent is truly an attraction center with its unique location, modern architecture, landscape of city and country, proximity to Buyukdere Street, bridge-connection roads, shopping malls, education institutions and hospitals.

In addition to allowing you to stay at the hearth of Istanbul, this project will introduce you to the privileged life that Istanbul offers, along with the advantages of being close to the shopping malls, schools, hospitals, business districts and the Bosphorus.
