## Project Overview

Project area  
**3.300** M<sup>2</sup>

It is a housing and investment project built by a well-known construction company in turkey.

The project consists of a single block of 17 floors that contain 94 residences and 11 stores.

The project offers apartment options of 1+1 to 4+1, with areas of 63- 252 square meters.

The project offers a charming sea view and princess island view, which make it a significant investment opportunity.

The project offers its residents a healthy and joyful life with privileges.

## Project Site

The project is located in Kartal district, on the Asian side of Istanbul.

The project designed in Kartal's most advantageous location, at the crossroads of metro-bus lines station and highways.

The project is located in close proximity to the city's most refined districts. This includes one of Istanbul's most well-known shopping and leisure avenues, Bağdat Caddesi, and the coast of Marmara Sea, offering an exceptional variety of boutiques and restaurants.

The strategic location of the project near Marmaray station and a walking distance to the coastal road.
