Project Overview

Project area

6.711 ^{M²}

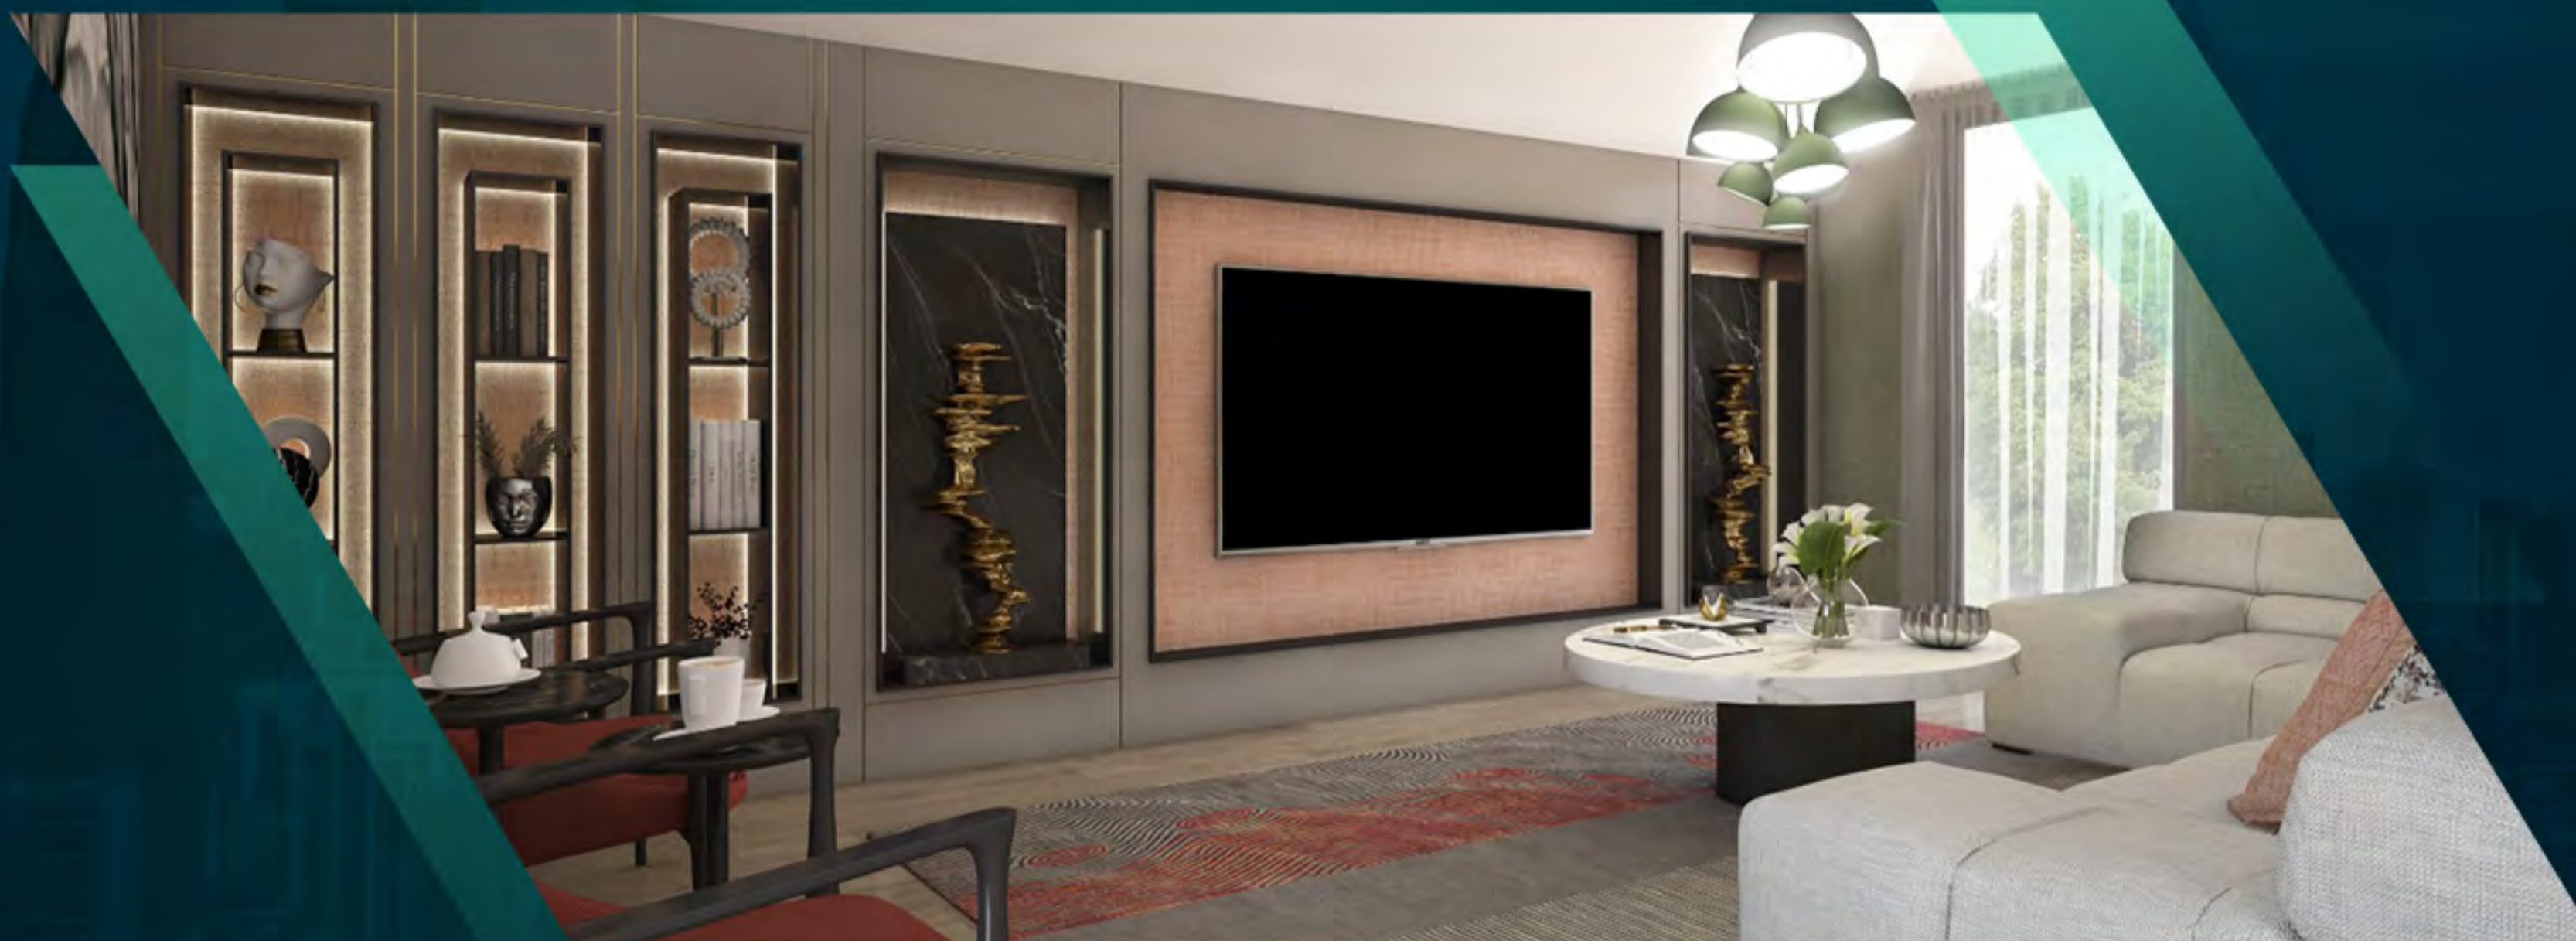

Luxury villas near Marmara Sea in Beylikduzu area with garden and private pool.

The project is built on an area of 6.411 square meters, and includes 12 private villas.

The project contains 12 independent villas with a net area of not less than 300 square meters distributed over 4 floors, in addition to a garden with an average area of 285 square meters, in addition to a private pool and garage for each villa. The villa contains 7 rooms, 2 salons and 7 bathrooms.

The delivery date of the project is April 2021.

Project Overview

The project is characterized by high-quality finishing with external heat insulators, in addition to the possibility of adding some modifications inside the villa.

What distinguishes the project is its lively area, its proximity to many social facilities and services, the calm atmosphere in the area and its distance from the hustle and bustle of the city.

Comfortable living spaces that go beyond luxury are waiting for you in this project.

The apartment areas ranging from 56 to 404 square meters.

Project Site

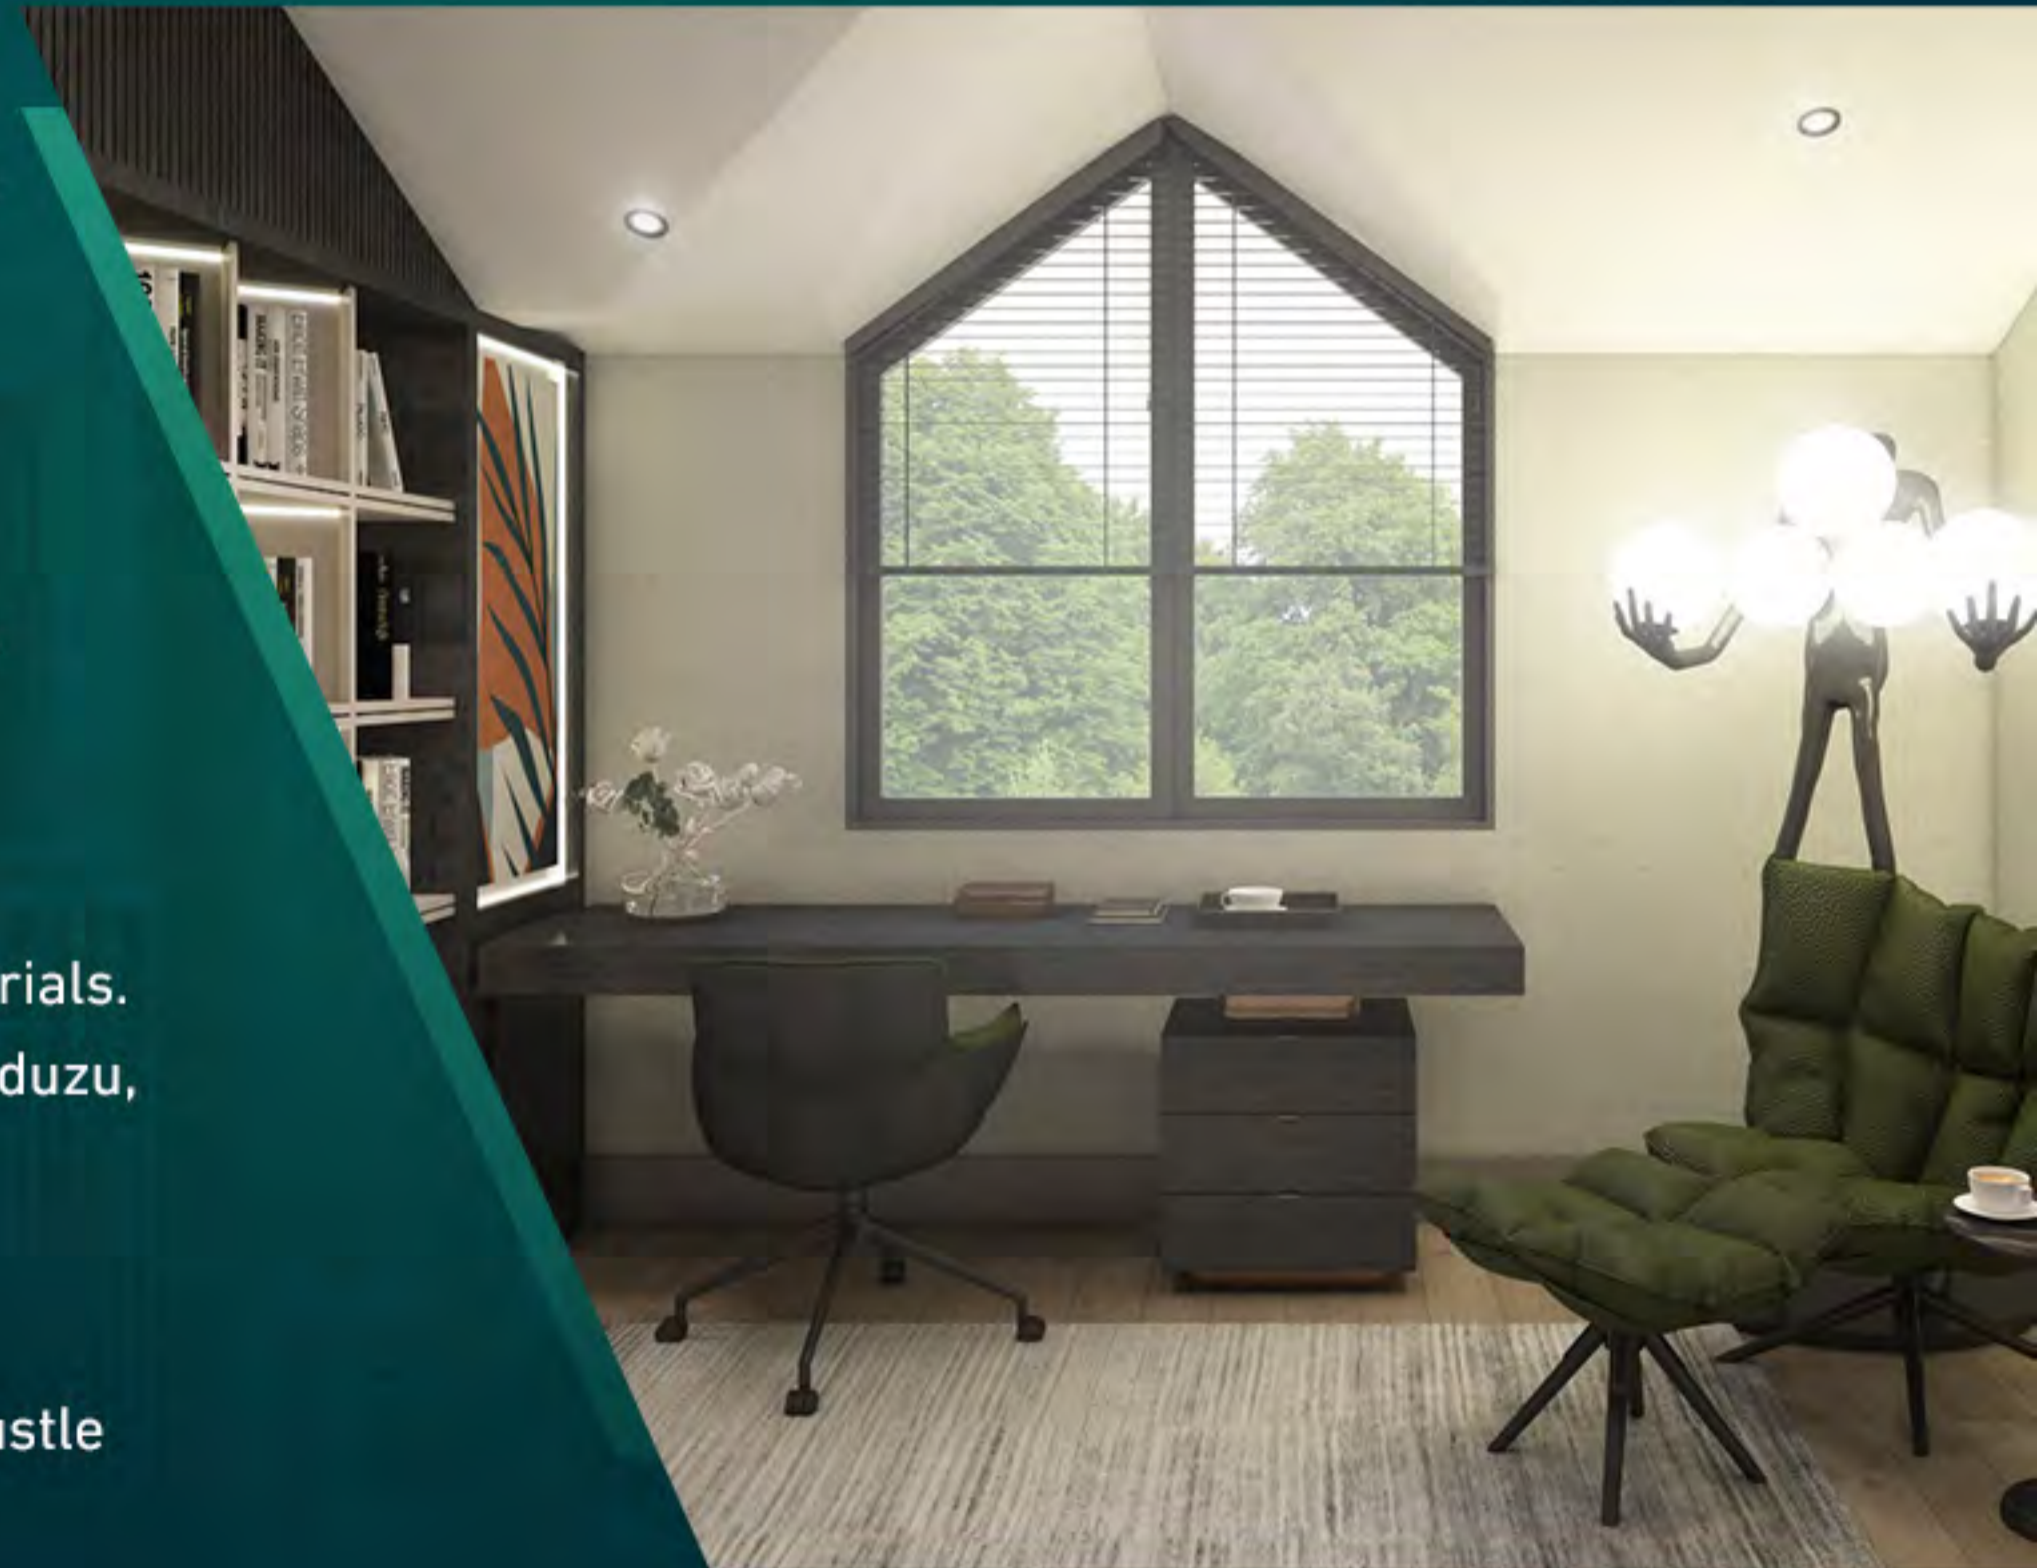

This luxury villas project is located in Beylikduzu area on the European side of Istanbul, which is considered one of the most vital areas in Istanbul due to its vital services and facilities and many picturesque coasts, which has become a tourist destination in recent times.

The project is located near the coast of Gurpinar, the most beautiful and valued investment area in Beylikduzu, and it differs from the rest of the projects in the area with its wide landscaped areas of 4.603 square meters,

The private garden for each villa, and luxurious building materials. This distinctive project is located in Gurpinar district of Beylikduzu, one of the most distinguished areas of Istanbul, as it combines green nature with the blue of the sea.

The project is close to many vital facilities and far from the hustle and bustle of the city.

This project represents the new face of Beylikduzu. It is a lifestyle transformation and renewal project.
