Private Elevator.

Private 3-Car Parking Area.

Project Overview

Project area

3.50^{M²}

A special penthouse in Maslak where the most prestigious companies and venues locate, close to all points of Istanbul, right in the heart of the city center.

The penthouse has 5 bedrooms and 3 bathrooms with an area of 350 square meters. This amazing penthouse is included in a very prestigious project.

The project, built on a total of 90 decares of land, consists of a 40-decare building settlement and a 50-decare natural habitat that allows you to enjoy the pond.

Project Overview

It is on the 31st floor, and dominating the whole neighborhood around. one of the most special features of this penthouse is that it has a private elevator of its own inside the apartment. Plus, the penthouse has 3 private parking areas only for its owners.

Consisting of 10 towers with 33 floors, constructed with the world's most advanced technological systems, the project offers a wide variety of living spaces with flat alternatives starting from 85 m² and modular architecture method.
