Project Overview

In this project, you are invited to experience a 5-star lifestyle and investment.

You are invited to a privileged investment opportunity in the second phase of Turkey's largest mixed-use project which consists of a hotel, convention center and residence.

The project, located in the same 25-floor tower where Hilton hotel is, offers you a privileged lifestyle in a unique location with its luxurious architecture and perfect details that transform life into art.

Using an elevator, you will have the access to the restaurant, cafe, spa and fitness center services of the project 24 hours a day.

Project Overview

In this project, you will be able to make the most of Mall of Istanbul's world full of shopping, culture, art and entertainment.

In this project, different apartment options are offered, with areas ranging from 80 to 679 square meters and different number of rooms from 1+1 to 4+1.

Few steps from the project, you can go shopping from hundreds of the world-famous brands, taste the flavors from the Turkish and International cuisines, watch the latest movies and enjoy the great performances.

Project Site

The project located in Basaksehir area on the European side of Istanbul.

With its closeness to Istanbul Airport and direct connection to the M9 Ataköy-İkitelli metro line, which will come into service in 2020, you can easily reach every point of Istanbul.

The project located on the fastest growing region of the city and the junction point of North Marmara and TEM Highways which connect the European and Asian sides of Istanbul.

The project is also located at a distance not far from the Istanbul New Canal project.

The project located near several private and governmental schools. The distinctive location of the project in the most attractive areas for foreigners to buy a property,
