Project Overview

Project area
14.500 M²

The total project area is 14.500 sqm, and the total green area is 10.800 sqm, which means 75% of the project dedicated for green area.

The project consists of 9 blocks, that contain 58 flats and 28 shops.

The apartments units within the project are 4+1, 5+2 and 7+2.

Spacious housing units with full sea view in European Istanbul.

Project

Overview

Full smart home system (8 devices connected through the tablet), in addition to AC in all rooms (even in the kitchen).

There is two master bedrooms and Turkish bath in all flats.

There is a golf course within the project with an area of 1.100 sqm.

The project contains a big underground car parking, with charging stations for electrical cars, and there is 3 parking spaces for each flat.

The title deed is ready and the project is suitable for Turkish citizenship.

The delivery date of the project is 9/2022.

Project Site

The project located in Beylikduzu area on the European side of Istanbul, which is considered one of the most vital areas in Istanbul because of its vital services and facilities and many picturesque coastlines, which has recently become a tourist destination.

The project is characterized by its proximity to famous international cafes and restaurants, shopping centers and schools, as it is close to a yacht beach and close to land and sea transportation.

Beylikduzu is suitable for families, as it contains social facilities, shopping centers, gardens, and other basic services that guarantee families a luxurious life.

Project Site

The project promises a comfortable life for its residents as it is close to main roads, E5 and TEM highways, and airports, and is easily accessible by public transportation.

The project located between 2 main roads, Hurriyet Bulvari and Avrasya Caddesi.
