Project

Overview

Project area

66.000 M²

It is a housing and investing project that built on a land area of 66.000 square meters.

This project is already an attraction to all investors with its brand power and high rent return from the first day.

Within the project, there will be shopping malls, hotels, residences, offices and residences.

Project

Overview

Multiplex cinema complex with 15 theatres and 2.400 seats, family entertainment center, multi-purpose plaza, discovery center and underwater zoo, plus many indoor and outdoor restaurants and cafes from all over the world.

The development company of the project is one of the world's most profitable and well-known real estate development companies.

The project was built according to luxury living standards which offers the dynamism of a modern, technological lifestyle.
It is the most popular project, with high investment value with its suitability for fast lifestyle.

The project offers great city view apartments.

The project is ready for delivery and it is suitable for Turkish citizenship.

Project

Overview

The architecture, generously provides all the possibilities of modern life, creating a human-oriented design concept, making it a new meeting point for people who wish to "experience Istanbul".

The project also includes a hotel, where traditional hospitality meets modern architecture, and it is the new address where you will enjoy comfort and luxury.

The hotel includes 183 rooms on 11 floors, in addition to a ballroom and meeting rooms, SPA and health center.

With a variety of activities catering all tastes, Emaar Square is the huge entertainment center of Istanbul.

Project

Overview

Our properties each have their own unique design aesthetic, providing an aspirational lifestyle within a thriving community, supported by the management team.

In this project we invite you to share a privileged life with 5 residence types created for different lifestyles.
The project includes 1073 units with luxury residential concept.
The project offers apartment option starting from 1+1, 2+1, 3+1, 4+1 and 5+1.

With outdoor and indoor social areas combining entertainment with shopping, Emaar Square is the new focal point for socializing on the Asian Side, meeting the needs of everyone.

Total leasable area: 150.000 Sqm, the number of floors (excl. parking lot): 3+2, the total number of shops 491 shops, parking lot vehicle capacity is 4.500 vehicle.

Project

Site

The project is located on one of the most special spots of Istanbul, where you will wake up to the deep blue Bosphorus view every day.

The project is located in the heart of the city and is preparing to become the new centre which will enrich the beauty of Istanbul.

The special location of the project close to Eurasia Tunnel that connects the Asian side with the European side of Istanbul.

An exclusive life in the city center is waiting for you where you can reach Bagdat Street, Kadikoy, and the Bosphorus Bridge in minutes.

The project is located in Uskudar district in the Asian side of Istanbul. It is located near to Fatih Sultan Mehmet Bridge and it is only 2.4 km away from the beach.

Project

Site

the perfect location of the project where you can get into the European side of Istanbul through the 15 July Martyrs Bridge, Besiktas and Taksim in 15 Minutes only.

The project is being built in the city center, in one of the most desirable locations in the city.

It is located on main highways and access roads very close to Bagdat Street, the Bosphorus and its bridges.

It is very close to the developing residential areas of Umraniye and Atasehir.

As Sabiha Gokcen International Airport and Istanbul Park Racetrack are both located on the Asian side and since the new financial center is relocating near the site, the value of the project will continue to appreciate.
