## Project Overview

Project area  
**5.280** M<sup>2</sup>

A first-class residential project located in Esenyurt on the European side of Istanbul.

The project is considered as one of the most important residential investment projects in the Esenyurt area, Cumhuriyet Mahallesi.

The project is built on a land area of 5280 square meters.

The project consists of 2 blocks with 11 floors height, and it includes 210 apartments, in addition to 30 shops.

The project provides apartment styles that vary between 1+1 and 2+1, with an open and closed kitchen to meet all tastes and needs.

The project is under construction and it is suitable for investment and family housing.

The project is surrounded by three Turkish government schools, one private school, and one Arabic school.

## Project Site

It is located near to the most important highways in Istanbul at all (E5) and at the same time near the metrobus which is the most important public transportation in Istanbul.

The project is centrally located and surrounded by universities and hospitals and includes many shops to meet all your needs.
