## Project Overview

Project area  
**600** M<sup>2</sup>

Private compound villa with land area of 600 square meters, and living area of 650 square meters.

The project located in Buyukcekmece area in Istanbul, European side.

The project located in the center between E5 and E80 highways, that cross both sides of Istanbul from end to end.

Project

# Overview

The project consists of 11 independent villas with a private pool and garden for each one.

All villas overlook the sea and have a wonderful panoramic view.

The project is ready and the title deed is ready.

## Project Site

The project's distinctive location is in Buyukcekmece, on the European side of Istanbul.

The project is located one step away from many government hospitals, schools, markets and public transportation.

Buyukcekmece is characterized by its proximity to the important areas of Istanbul, such as Beylikduzu and Bahcesehir, in addition to its proximity to the main roads in the city.

Buyukcekmece is a lively, fully serviced residential area with public transportation.
