Project Overview

Project area
74.000 M²

The project was built on a land area of 74.000 square meters and it consists of 8 blocks with 762 apartments with different options ranging from 1+1 to 5+1, and 3 blocks with offices of 120.000 square meters. The project includes 22.000 square meters dedicated for shops and commercial units. The project has a charming view of Belgrade Forest, and it is close to the city center and the business centers.

Project Site

This project is located in the European side of Istanbul, specifically in Maslak district, one of the largest real estate development areas in the city.

It is one of the best life-changing projects in one of Istanbul's most valuable and important locations, near to Levent district.

The doors of the project lead to shopping malls, public transportation, main roads, and to centers for art, sports and culture.

It is only minutes away from Taksim and Levant, and it is not more than 5 minutes from the Bosphorus, and 25 minutes from Istanbul's third airport, which gives it strategic and investment importance.

The project located near the metro station and public transportation.
