Project Overview

Project area
20.428 M²

It is a boutique project created by İnşaat Asoy.

The project is built on 20,428,10 square meters of land area, 3,500 square meters of which are designated for green spaces.

The project consists of 4 blocks with 11 floors, containing 89 apartments, 28 commercial units, a conference center and a cultural center.

Apartment options in this project start from 1+1 to 3+1, with areas ranging from 52- 165 square meters. The social facilities within the project include car parking, sauna, Turkish bath and center for fitness and indoor pool.

The project is suitable for Turkish citizenship and the title deed is ready.

The project delivery date is March 2021.

Project Site

The project is located in Yakublu district in Beylikduzu district on the European side of Istanbul.

Beylikduzu is the modern face of Istanbul and one of the most important investment centers in the city, as there are shopping centers, universities, health and educational institutions.

The project promises a comfortable life for its residents, as it is close to major roads, bridges, highways and airports, and is easily accessible by public transportation.

The distinctive location of the project near Yakublu Beach, West Istanbul Marina and the coast of the Marmara Sea.
