## Project Overview

Project area  
**50.000** M<sup>2</sup>

It is a mixed used project includes Shopping Mall, Offices and Residential parts in whole project of 50.000 sqm area. The project consists of a single block and has 44 apartments. The number of floors in the building are 12 floors. The project has a strategic location overlooking the sea and Princess Island. The project is being constructed in the segment of A++ and designed for serving for all needs of offices and residential parts separately. Commercial units in the project includes retail shops, restaurants & cafes, shops and offices. Also, it has mini market, hairdressers which all gives you solutions without leaving your space. Office areas ranging between 88 - 270 m<sup>2</sup> in one piece, and we can combine more offices to create much more bigger spaces. Residences areas start with 56 sqm for studios, 72-75-76 sqm for 1+1, and 132 -139 sqm for 2+1.

# Project Site

The project is located on the Asian side of Istanbul, on Kartal E5 road, the main road of Istanbul, over looking the sea and Princess Islands.

The project is located between Kartal and Yakacik metro stations by walking distance, which cross from west to east of whole Istanbul.

As a location, its at the center of all public transportation systems in Istanbul, such as: Pendik Marine, Kartal Marine, High Speed Train Main Station, Pendik Ferry Station, Sabiha Gokcen International Airport, Highway connection, E5 main Road and Metro Stations.
