Project

Overview

This project owns one of the most important and vital sites for modern projects in European Istanbul, and it is located in the Beylikduzu area, overlooking Buyuk Atekmece. It is one of the most important residential investment projects in Istanbul

Project

Overview

It is one of the most important residential investment projects in Istanbul. It is built on a plot of land with an area of 9,600 square meters, and a built-up area of 39,000 square meters. It offers villas, apartments, and commercial units for sale. This project consists of 111 apartments, 128 commercial offices, and 17 commercial stores. It offers apartments of different types, from 0 + 1 to 1 + 4.

Project

The project is located on the European side of Istanbul, in Beylikduzu, next to the National Park. The project offers the highest quality in the sought-after area of Kucukcekmece and is only 50 meters away from the nearest metro bus and just above the E5 highway for commute.

Project Site

This brand-new property is within walking distance to schools, shopping malls and everything families need including Istanbul National Park.

The project overlooks panoramic views of the sea and the lake from the second floor, and it has more than one view of the city streets.
