Project

## Overview

2.300 m<sup>2</sup>

The project consists of a 16-story building with a contemporary architectural understanding. There are 44 apartments in the project, which are built on an area of 2.300 square meters.

Project

# Overview

The 1 + 1 and 2 + 1 concept apartments in the project offers spacious living spaces right in the heart of Istanbul.

Wide glass fronts allow you to enjoy the view and create a serene environment.

The project also contains many social facilities. Such as the fitness center, barbecue area, technical services, reception, housekeeping, and rest areas

Project

## Site

The privileged location of the project provides an upscale life in one of the most famous places in Istanbul, where the project makes a difference due to its proximity to all transportation, important highways, and centers and institutions in the city center. In addition, thanks to its unique location, it has a very high investment value, Kagithane area, one of the most central areas of Istanbul .

## Project Site

Near the project there are shopping areas such as Axis Mall, Kanyon Mall, Metro Market, Zorlu Center Mall.

At the same time, you can reach hospitals, schools, public transportation, and official institutions in a short time. Also, Istanbul Airport is only 33 km away from the project's
