## Project Overview

Project area

18.000<sup>M<sup>2</sup></sup>

It is a housing project built on a land area of 18.000 square meters.

The project contains 305 housing units and 40 commercial units. The project consists of 4 blocks.

12.350 square meters of the project dedicated to green areas.

The project is ready to move, the title deed is ready, and it is suitable for Turkish citizenship.

The project provides a good quality of life in the European side, it is a new meeting point between art and culture.

Most of the apartments have sea view and lake view.

## Project Site

The project is located in Beylikduzu district on the European side of Istanbul.

Beylikduzu is the modern face of Istanbul and one of the most important investment centers in the city, as there are shopping centers, universities, health and educational institutions.

The project promises a comfortable life for its residents, as it is close to major roads, bridges, highways and airports, and is easily accessible by public transportation.

Beylikduzu is suitable for families, as it has social facilities, shopping centers, parks and other basic services that ensure families have a well-being life.
