Project

Overview

It is under-construction residential and investment project, developed

by a well-known construction company in turkey.

The project consists of 3 blocks (a, b, c blocks) that contain 264 residential units and 23 commercial units.

The flat types in the project vary between 1+1, 2+1, 3+1, 4+1, with area ranges between 50- 202 sqm.

1000 sqm in the project dedicated for facilities and social areas.

5 universities, 10 shopping malls ad 7 hospital are surrounding the project.

Project Site

The project located in Zeytinburnu area, Cevizlibag district, on the European side of Istanbul.

The special location of the project just 500 meters away from the e5 highway.

Your apartment will be in a close distance to the center of Istanbul, where you can reach Taksim only in 20 minutes.

The project is located in one of the most valuable spots of Istanbul, in Topkapi area.

The location provides the residents with numerous advantages, namely; easy access to the main transportation hubs, education centers, shopping malls, in street restaurants, cafes, and hospitals.
