Project

Overview

The project is a one-building boutique project, containing apartments of different sizes and types, from 2 + 1 up to 4 + 1. The project has a vital location surrounded by universities, hospitals, and many shops to meet all your needs.

Project

Overview

What distinguishes the project most is its proximity to essential facilities and its distance from the hustle of the city, as it is located near Beylikduzu station, in addition to its proximity to Beykent University, Beylikduzu Sports and Education Center, and the famous t yap fair.

Project

Site

The project is located in Beylikduzu, on the European side of Istanbul Today, Beylikduzu is witnessing a great boom in the field of high-quality real estate investment. The value of the real estate in the region has increased by 50% in the past two years.

Project Site

The transportation network played a prominent role in the progress and prosperity of the region due to its possession of an advanced transportation network linking Beylikduzu with all areas of Istanbul in addition to the ease of transportation between its neighborhoods
