Project Overview

Project area

19.481 ^{M²}

The project is built on a land area of 19.481 square meters, and it is 500 meters away from the sea.

The project is located in one of the most popular holiday spots in Bodrum, Turkey.

This project contains detached villas with private pools and gardens.

Project Site

There is an architecture inspiration in Bodrum that you will always notice in the exterior design backed by the look of stone and wood.

This special project brings the unique view of Gundogan Bay to your home.

Designed with high standards, the villas have been designed with a vision that will exceed your expectations.

All buildings in the project are designed as private villas with spacious terraces that do not overlap each other in a diagonal way.

Get ready for a life like a permanent vacation in this project, where the blue of the sea and green gardens will be a part of your life.

Project Site

The project has 30 villas within 24 blocks, as follows:

5 villas of the type 3+1 with swimming pool

12 villas of the type 2+1 with garden and pool or without garden and pool

9 villas of the type 4+1 with swimming pool

4 villas of the type 5+1 with swimming pool

The special thing of this project is that it was designed by the architect EMRE KUNT who made his mark in Bodrum.

The most striking feature of this project designed by the architect EMRE KUNT who has made a name for himself with his projects in Bodrum, is that it includes sea view villas in the heart of nature.
