## Project Overview

These homes are designed for a better life.

We have designed magnificent living spaces in the most decent and central area of Istanbul, where you can easily benefit from all the opportunities of urban life and call it "home".

## Project

# Overview

Offering modern architecture with a simple aesthetic, these villas perfectly combines peace, happiness, trust, quality, and comfort in its main features. We know this formula is necessary for you to live a beautiful life with your loved ones.

You can experience an artfully crafted quality in this project.

The best products carefully selected for bathroom and ceramics, flooring systems, built-in products and kitchen systems will appeal to your eyes and soul.

Type A single villas offer you all living spaces on the ground and first floors with comfort. Total gross area of the project 533.20- 543.40 sqm, total net area 402.60- 413.20 sqm, garden areas 363.25- 425.60 sqm.

## Project

# Overview

Type B double villas offer you all living spaces on the ground and first floors in a large and spacious way. Total gross area 406.60- 433.00 sqm, total net area 321.80- 348.20 sqm, garden areas 250.35- 293.75 sqm.

Type C block villas offer you all living spaces on the ground, first and second floors in a large and spacious way. These are the villas with the most panoramic views of the sea due to their location. Total gross area 495.90- 571.90 sqm, total net area 393.30- 455.20 sqm, garden areas 205.35- 368.50 sqm.

On the other hand, the penthouse is an independent zone with all the essential areas.

You can use your private garden, pool and fireplace for pleasant moments; in addition, for ease of movement, comfort and safety, elevators and indoor parking are standard in all villas.

## Project Site

The project located in Beylikduzu area on the European side of Istanbul.

Beylikduzu is a popular spot for those looking to purchase a home in Istanbul at an affordable price.

Beylikduzu is full of all the expected facilities and is within close proximity to schools, universities, hospitals, shopping malls, and much more.

The E5 and TEM Highways are both easily accessible and provide links all over the city for those who are commuting and working in the center of Istanbul.

This luxury project is located in Beylikduzu area on the European side of Istanbul, which is considered one of the most vital areas in Istanbul because of its vital services and facilities and many picturesque coastlines, which has recently become a tourist destination.

## Project Site

The project is characterized by its proximity to famous international cafes and restaurants, shopping centers and schools, as it is close to a yacht beach and close to land and sea transportation.

Beylikduzu is suitable for families, as it contains social facilities, shopping centers, gardens, and other basic services that guarantee families a luxurious life.

The project promises a comfortable life for its residents as it is close to main roads, E5 and TEM highways, and airports, and is easily accessible by public transportation.
