Project

Overview

The project is located in Halkali district and is considered one of the largest European Istanbul projects. It is located on a high hill near the famous Kucukcekmece Lake, which will be the entrance to the new Bosphorus (the new Istanbul canal). Halkali district is known to have become one of the most important investment areas in Istanbul, As there will be many huge investment projects and many government projects that will make this region a special place.

Project

Overview

Kucukcekmece is considered one of the most vital areas in the city of Istanbul, in terms of commercial investments, especially Arab ones. The region has a wonderful view of the Marmara Sea, in addition to having large green spaces and witnessing great growth in the field of investment.

Project Site

The project is located in Kucukcekmece district in European Istanbul. The project is located on the banks of the new **Istanbul Canal**. There are two **metro** stations near the project, the first to reach the center of Istanbul, and the second to the new **Istanbul Airport**. Minutes away from all kinds of land transportation.

Project Site

The entrance to the project is located directly on the **E80** road **25min** away from Istanbul Airport.
