Project Overview

Number
of Apartments

546

A residential and investment project located in the center of the European side of Istanbul.

The project consists of 3 buildings of 24 floors with 546 apartments.

The apartment areas ranging from 40 - 230 square meters.

The project is building by a well-known construction company in Turkey, with 25 years of experience.

The project includes various options for 0+1, 1+1, 2+1, 3+1 and 4+1 apartments.

Project Site

The project is located on the European side of Istanbul, in Bayrampasa district, near to Fatih district.

The project has an extraordinary location in terms of its proximity to the highway and public transportations.
